

JOINT DEFENDANTS' SECONDARY WITNESS LIST
EXHIBIT "F"

Joint Defense Non-Company Representatives - Secondary List	
Marcus C. Devine-Former Director	ADEQ programs, water quality, regulations and point sources
Mo Shafii	NPDES regulations and permits and water quality in the Arkansas portion of the IRW
Bob Singleton	Water Quality, pollution sources, enforcement, regulated facilities and compliance issues in the IRW
Mike Chandler-Water Resources Development Division	Governor Keating's Animal Waste and Water Quality Protection Task Force and issues examined by the task force
Steve Drown-Chief District Inspector	Water quality regulations and watershed management, poultry activities in the IRW, agricultural and environmental regulations
Matt Russell-	Photography of spreading events
J.D. Schupp-	Photography of spreading events
Scott Campbell	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations
Michael Carter	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations
Walid Maher	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW.
Gary Sherrer	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations
Mark Bray-CEA Agra	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations
Frank Walker-Director	Litter management, water quality regulations and watershed management
Sheri Herron	Poultry litter, litter management, best management practices, water quality, phosphorous indices, agronomic rates and Eucha-Spavinaw Watershed
Jennie Woods	Water quality and public water supply in Broken Bow, OK
Gary Swift	Water quality and public water supply in Broken Bow, OK
Marie Kathleen West-Former Assistant Attorney General	Destruction of documents potentially relevant to this case and work by Oklahoma Conservation Commission and Oklahoma Scenic Rivers Commission regarding this litigation
Darren L. Brown-	Facts and circumstances regarding the handling, testing and reporting of laboratory samples received by CDM. Authentication of documents related to laboratory sampling. State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW

Timothy Cox-	Facts and circumstances regarding the handling, testing and reporting of laboratory samples received by CDM. Authentication of documents related to laboratory sampling. State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW
Tony C. Gendusa-	Facts and circumstances regarding the handling, testing and reporting of laboratory samples received by CDM. Authentication of documents related to laboratory sampling. State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW
Bruce Warner - Cherokee County Rural Water District #13	Water Quality and public water supply for Cherokee County Rural Water District #13
Michael Gassaway- Cherokee County Rural Water District #2	Water Quality and public water supply for Cherokee County Rural Water District #2
Chad Smith-Chief	Legal and equitable ownership of natural resources at issue.
Jim Loftis-	Statistical Analysis
Rick Fredrick-Oklahoma Department of Food and Forestry	CAFO and poultry inspections for Environmental Programs for ODAFF; Animal waste and waste management practices
Mike Acre-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Chris Amey-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Will Armes-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Ryan Bayne-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Cody Cantrell-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Jason Haelzle-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Dave Kendrick-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Janice Levangie-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Julie Lidstone-Database Manager	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Andrew Madrey-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Paul McMahon-Chemist	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Brandon Moffatt-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Mike Muffels-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Chris Munce-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.

Dan Salter-Sampling Team	Observation of State of Oklahoma sampling events of poultry houses and soil sampling where poultry litter had been applied.
Miranda Rountree-Lab Project Manager	Facts and circumstances regarding the handling, testing and reporting of laboratory samples received by GAP/CRA. Authentication of documents related to laboratory sampling.
Michelle Buchanan-CEA Agra	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations
Barbara Denney-CEA	Water quality regulations, watershed management, poultry activities in the IRW, agricultural and environmental regulations
Jason Hollenback-	Poultry waste programs, poultry waste management, poultry industry practices
Stephen Wright-	Water quality and Public water supply for East Central Water Authority
Richard Greene-Regional Administrator	Water Quality Regulations, watershed management, investigation, sampling and monitoring of Water Quality in the IRW, agricultural and environmental regulations
Richard (Dick) Seybolt-	Water quality regulations and watershed management, poultry activities in the IRW, agricultural and environmental regulations. State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW
Fred D. Helms-	Water quality regulations and watershed management, poultry activities in the IRW, agricultural and environmental regulations. State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW
Emon Mahony-	Water quality regulations and watershed management, poultry activities in the IRW, agricultural and environmental regulations. State of Oklahoma's authorization of the use of poultry litter, acts and omissions of the State of Oklahoma which have contributed to the degradation of water in the IRW
Horace Lindley-	Gore Public Works Authority and public water supply issues
Foster Johnson-Poultry Inspector	IRW Poultry growing operations; ODAFF poultry inspections and/or complaints
Randy Thompson-Poultry Inspector	IRW Poultry growing operations; ODAFF poultry inspections and/or complaints
John Ryals-	Lake Regina Electrical COOP and Public water supply issues
David Keith-Maintenance Supervisor	Identified by Alan Ford as having information specific to the management of the lagoons at Lake Tenkiller State Park
Steve Williams-Park Manager	Identified by Alan Ford as having information specific to the management of the lagoons at Lake Tenkiller State Park
Clay Carlson-	Facts and Circumstances associated with sampling on behalf of State of Oklahoma
Elena Fisher-	Facts and Circumstances associated with sampling on behalf of State of Oklahoma
Frances Fisher-	Facts and Circumstances associated with sampling on behalf of State of Oklahoma
Madeline Fisher-	Facts and Circumstances associated with sampling on behalf of State of Oklahoma
Robert "Larry" Hight-	Facts and Circumstances associated with sampling on behalf of State of Oklahoma

Emily Page-	Facts and Circumstances associated with sampling on behalf of State of Oklahoma
Les Pulliam-Park Manager	Identified by Alan Ford and Kris Mareck as having information specific to the management of Natural Falls State Park
Tamzen Macbeth-	Procedures at Northwind Laboratories; foundation for expert opinions offered by the State
Robert N. Bagby-Soil Conservation Technician	Facts and Circumstances associated with soil sampling on behalf of State of Oklahoma and general issues related to agronomy
Dennis Carman-Agricultural Engineer	Soil and Nutrient management with the NRCS
Steve D. Clark-Ecological Sciences	Soil and nutrient management with the NRCS
Larry M. Coppock-Engineering	Soil and nutrient management with the NRCS
Eric Daniels-District Conservationist	NRCS Plans
Steven Davied-District Conservationist	NRCS Plans
Casey Dunigan-Resource Conservationist	NRCS Plans and resource management
Audra Fenton-District Conservationist	NRCS Plans
Joshua Fortenberry-Water Quality Technician	NRCS Plans and water quality issues
Rhonda Foster-District Conservationist	NRCS Plans
Wilma R. Fraley-Zone 2 and Team 6 ASTC Automation Clerk	NRCS Plans and ASTC
Gibert F. Guerrero-Zone 2 and Team 6 ASTC Field Operations	NRCS plans and field operations
Richard Guterrez-Soil Conservation Technician	Soil and nutrient management with the NRCS
Marty Hern-District Conservationist	Soil and nutrient management with the NRCS
Shelley G. Hungerford-Zone 2 and Team 6 ASTC Administrative Assistant	Soil and nutrient management with the NRCS Plans and ASTC
Andrew Inman-District Conservationist	Soil and nutrient management with the NRCS Plans
Mike Lantrip-Soil Conservation Technician	Soil and nutrient management with the NRCS
Rick T. McCright-Sciences	Poultry waste programs and nutrient management plans
Robert C. O'Bryan-District Conservationist	Soil and nutrient management with the NRCS plans
Randall Sawyer-Water Quality Assistant	Soil and nutrient management with the NRCS plans and water quality issues
Paul L. Schoolfield-Soil Conservation Technician	Soil and nutrient management with the NRCS
Gail Sparks-District Secretary	Soil and nutrient management with the NRCS plans
Carla Spencer-Water Quality Technician	Soil and nutrient management with the NRCS plans and water quality issues
Dennis K. Ware-District Conservationist	Soil and nutrient management with the NRCS plans
Trevor Hammons-	Investigations of water quality by AG's office
Daniel Lennington-Attorney	Complaints regarding poultry operations to ODAFF
Margaret Blevins	Implementation, management and maintenance of OCC database
Janet Stewart	OCC and ODAFF regulations, policies and procedures

Dan Butler-Director WQ Division	Oklahoma Water Quality programs; IRW conditions, current and historical
Greg Kloxin-Environmental Projects Manager	OCC Water Quality programs, monitoring assessment
Jim Leach-WQ Division accountant	OCC financial operations
Ben Pollard-Assistant Director	Operations of OCC; authentication and maintenance of agency records
A. L. Bonner-Former Director of Plant Industry and Consumer Services	Facts and circumstances surrounding the creation, implementation, strategy 1993 Curtis Report and opinions expressed therein; implementation of Consent Agreements with nurseries;
Janet Burns-Administrative Programs Officer	Authentication and maintenance of ODAFF AEMS records
Larry Harden-	Legal enforcement actions and involvement in legal actions taken by any other agency within the IRW.
Dr. Mike Talkington-Director of Laboratory Services Department	Supervisor of field staff, ODAFF complaint investigations, inspections, CAFO licensing and regulations
Mark Coleman-Oklahoma Department of Environmental Quality representative to 6/4/2007 meeting of Governor Keating's Animal Waste and Water Quality Protection Task Force	ODEQ Programs, as well as policy, regulations, enforcement activities and records, Governor Keating's Animal Waste and Water Quality Protection Task Force
Jon Craig-Water Quality Division Director	ODEQ water quality programs, division policy, regulations and enforcement activities
Rhonda Craig-Records Custodian	ODEQ Programs, as well as policy, regulations, enforcement activities and records
Paul Balkenbush-SE Region Fisheries Supervisor	Fisheries biology, monitoring, management, assessment, restoration, applied fluvial geomorphology, recreational sport fishing information, federal aid reporting, APA rulemaking, public outreach, Illinois River history and conditions
Barry Bolton-Assistant Chief, Fisheries Division	Coordination and supervision of statewide fisheries program activities, including, management, research and hatcheries; IRW history and conditions
Brian C. Griffin	Member of the Arkansas-Oklahoma Arkansas River Compact Commission Member also the Chairman of Governor Keating's Animal Waste and Water Quality Protection Task Force
Lisa Bennett-Webb-Public Information Officer	Public health and epidemiology; State Department of Health policies and programs
Dr. Kristi Bradley-Physician	Public health and epidemiology; State Department of Health policies and programs
Dr. Terri White – Commissioner of Health	Public health and epidemiology; State Department of Health policies and programs
Teresa Madden-Epidemiologist	ODEQ wastewater programs and facilities
Representatives	Litter and land use practices;
Representatives	Water quality, monitoring, pollution sources and Hydrology of the IRW
Bill Blackard-Commissioner	OSRC Board Chair - Participated in discussions concerning poultry industry

Steve Randall-Secretary/Treasurer	Participated in discussions concerning poultry industry
Rick Stubblefield-Commissioner	Participated in discussions concerning poultry industry
Bill Fisher-Natural Resource Ecology and Management	Fisheries, Aquatic life and Aquatic Ecology
Will Focht-	Conditions of the IRW; socio-political assessment of the IRW
David Gade-	Nutrient loading, pollution sources and other water quality issues regarding the IRW
Marty Green-Extension Agent	BMPs litter purchaser
Michael D. Smolen-Professor	Water Quality, sources of pollution, industry practices, animal waste, research, fate and transport, modeling and land application standards
Dr. Daniel E. Storm-Professor	Modeling in the Eucha-Spavinaw Watershed and IRW, animal waste, poultry industry practices, research, water quality, fate and Transport and pollution sources.
Robert Westerman-Chairman	Soils, nutrients, land application standards, animal waste, agronomic rates, phosphorous indices, waste management
Michael White-Research Engineer	TMDL's, loading, pollution sources, modeling animal waste, fate and transport and other water quality issues in the IRW
Leroy Chamberlain-Former Chairman	Animal waste, poultry industry practices, land application rates, agronomic rates, waste management practices, waste disposal, phosphorous and nutrient issues
Jane Jayroe-Executive Director	Oklahoma Tourism in the IRW; Lake Tenkiller Wastewater issues
Kristina Marek-Custodian of Records	Oklahoma State Parks in IRW; Oklahoma Department of Tourism records authentication
Monty A. Porter-Streams Monitoring Team	OWRB monitoring (sample collection), data analysis, reporting, planning, water quality, aquatic life
William L. Cauthron-Environmental Programs Manager - Section Head	State environmental programs; monitoring, data analysis, reporting, planning, quality assurance, policy, administration
Paul D. Koenig-Environmental Programs Manager - Section Head	OWRB environmental programs; water quality monitoring; water quality; pollution sources
Phillip H. Moershel-WQ Specialist - Section Head	Work Plans and Data for OCC and the OWRB; regulations, water quality, monitoring; published literature regarding IRW
Dean A. Couch-Member of the Arkansas-Oklahoma Arkansas River Compact Commission - Oklahoma Member, Legal Committee	OWRB policies, regulations, practices, procedures and records
Marvin Childers-	Poultry Federation activities, environmental programs, studies, membership and leadership
John Ward-	Poultry Federation; poultry industry and practices and policies
Tim Raines- Retired	Monitoring, water quality and Hydrology of the IRW
Donald Richards-	Policies and procedures of Sequoyah Water Company
Randy Royal-Lab Project Manager	QA/QC procedures, analysis, sampling methodology,
W.A. Drew Edmondson-Attorney General	Facts and circumstances regarding litter management, water quality regulations, watershed management and/or other relevant information relating to the subject matter of this lawsuit; facts and circumstances regarding investigation by AG's office in conjunction with ODEQ into E Coli outbreak in Locust Grove

Tim Bracken-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Darren Froeming-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Kurt Gardner-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Mike Huff-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Gerard M. Hummel-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Rachael Hummel-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Tim Jones-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Danny Lynchard-	Observations during investigation of Poultry operations in IRW; authentication of documents and photographs
Mike Nance-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Jim Sharp-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Gary Stansill-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Steve Steele-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Shane Tuell-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Jack Walton-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Liz Weatherly-	Information regarding investigation of poultry operations in IRW; authentication of documents and photographs
Stanley Day-	Tahlequah Public Works Authority and public water supply issues
Jay Roy Updike-Engineer	Policies and procedures for Tahlequah Public Works Authority
Douglas Connor-	Tenkiller Utility Authority and public water supply issues
John Van Brahana-Professor of Geosciences	Facts and circumstances surrounding monitoring of the IRW, water quality within the IRW, pollution sources within the IRW, and hydrology of the IRW
Wade Cash-Arkansas Water Resource Center Water Quality Lab	Facts and circumstances surrounding monitoring of the IRW, water quality within the IRW, pollution sources within the IRW, and hydrology of the IRW
Mark Cochran-Professor	Pollution Sources, environmental mass balance, water quality modeling, animal waste, fate and transport, agronomic rates, phosphorous indices, GIS and remote sensing, best management practices, water quality monitoring and research
Tommy C. Daniels-Professor of Agronomy	Pollution Sources, environmental mass balance, water quality modeling, animal waste, fate and transport, agronomic rates, phosphorous indices, best management practices, water quality monitoring and research

Harold L. Goodwin, Jr. -Associate Professor of Agricultural Economics	Agribusiness, economic and business related to food and poultry industries, poultry litter management and animal waste systems
Dr. Brian Haggard-Associate Professor, Biological and Agricultural Engineering	Pollution Sources, environmental mass balance, water quality modeling, animal waste, fate and transport, agronomic rates, phosphorous indices, best management practices, water quality monitoring and research
Dr. Philip A. Moore, Jr.-USDA/ARS-Poultry Center for Excellence for Poultry Science	Pollution Sources, environmental mass balance, water quality modeling, animal waste, fate and transport, agronomic rates, phosphorous indices, GIS and remote sensing, best management practices, water quality monitoring and research
Dr. Mark Nelson-Director, Arkansas Water Resources Center	Pollution Sources, environmental mass balance, water quality modeling, animal waste, fate and transport, agronomic rates, phosphorous indices, GIS and remote sensing, best management practices, water quality monitoring and research
Jennifer Purtle-Arkansas Water Resource Center Water Quality Lab	Pollution Sources, environmental mass balance, water quality, animal waste, fate and transport, agronomic rates, phosphorous indices, water quality monitoring and research
Dr. Andrew Sharpley-Soil Scientist	Animal waste, phosphorous indices, fate and transport, poultry industry practices, waste management, water quality, agronomic rates, SERA 17 and research
Dr. Thomas Soerens-Arkansas Water Resource Center	Pollution Sources, environmental mass balance, animal waste, fate and transport, agronomic rates, phosphorous indices, best management practices, water quality monitoring and research
Representatives	Pollution Sources, water quality of Lake Tenkiller, best management practices, Lake Tenkiller State Park, water quality monitoring, management of dam including residence time
Johnny Gunsaulis-CEA Agri	Poultry management, nutrient management plans, best management plans, use of poultry litter as fertilizer
John Pennington-CEA Agri	Poultry management, nutrient management plans, best management plans, use of poultry litter as fertilizer
Michelle Steele-CEA Agri	Poultry management, nutrient management plans, best management plans, use of poultry litter as fertilizer
Katherine Teague-CEA Agri	Poultry management, nutrient management plans, best management plans, use of poultry litter as fertilizer
Larry Adair-	Facts and circumstances surrounding activities within the IRW; knowledge of legislative action regarding point and non-point sources within IRW.
Mike Bryan-retired	Plan writing and implementation in the Illinois and Beaty Creek Watersheds
Kenneth R. Caughman-	Facts and circumstances surrounding land use and history of the Illinois River Watershed
Mary Beth Fisher-	Facts and circumstances surrounding the involvement of State's consultants and attorneys in investigation, sampling and analysis of the State's sampling events
Rick Frederick-Oklahoma Department of Food and Forestry – Contract Employee	ODAFF AEMS former employee; facts and circumstances surrounding use of poultry litter as fertilizer; nutrient management plans; regulations governing poultry litter use; permitting process for poultry farmers.

Harold Springer- Contract Employee	ODAFF AEMS former employee; facts and circumstances surrounding use of poultry litter as fertilizer; nutrient management plans; regulations governing poultry litter use; permitting process for poultry farmers.
Danny Hodges – Contract Employee	ODAFF AEMS former employee; facts and circumstances surrounding use of poultry litter as fertilizer; nutrient management plans; regulations governing poultry litter use; permitting process for poultry farmers.
Tyler Hicks-Weights & Measures Program Administrator	Facts and circumstances surrounding use of poultry litter as fertilizer; nutrient management plans; regulations governing poultry litter use; permitting process for poultry farmers.
Joe Hutchison-Former State Representative	
Don Jeans-	Facts and circumstances surrounding use of poultry litter; best management plans; and value of poultry litter as a commodity.
Rick Jeans-Oklahoma Conservation Commission Commissioner	Facts and circumstances surrounding use of poultry litter; best management plans; and value of poultry litter as a commodity; OCC water quality programs; waste hauling programs
Jerry Londagin-	Facts and circumstances surrounding the use and condition of the Illinois River Watershed
Eugene Macklin-	Facts and circumstances surrounding the use and condition of the Illinois River Watershed
James Pigeon, Jr.-Former Service Tech - Peterson	Integrator and grower relationships, practices and policies
Mike Traylor-Litter Hauler	Facts and circumstances surrounding Governor Keating's Animal Waste and Water Quality Protection Task Force
Regina Tuell-Tulsa Police Officer and PI for Plaintiffs	Tulsa Police Officer and PI for Plfs
Teresa Marks – Director	Facts and circumstances surrounding the Illinois River Watershed and the State of Arkansas' involvement in relevant matters related to this lawsuit
Representative(s)	Facts and circumstances surrounding poultry husbandry; and all other relevant matters related to this lawsuit.
Gabriel Timby-Regional Environmental Manager	Poultry waste application; Terra Renewal Services' business practices

Joint Defense Expert Testimony – Secondary Witnesses	
Samuel Myoda, Ph.D.	Expert Testimony (deposed)
Charles Cowan, Ph. D.	Expert Testimony (deposed)
Glenn W. Johnson	Expert Testimony (deposed)

Cargill - Secondary Witnesses

Dave Cook Global Technology Manager Cargill Animal Nutrition	Cargill Defendants' turkey feed formulation and nutrition
Gerald Duncan Breeder/Hatchery Manager Cargill Turkey Production, LLC	Cargill Defendants' turkey production operations, practices, and policies in the IRW
Ronda Eisenhower Business Unit Controller Cargill Value Added Meats – Retail	Cargill Defendants' turkey production financial matters
Dennis Fulbright Controller Cargill Turkey Production, LLC	Cargill Defendants' turkey production records and accounting
Carlos Ibanez Formulation & Technology Solutions Manager Cargill Animal Nutrition	Cargill Defendants' turkey feed formulations and nutrition
Lance Logan Flock Management Supervisor Cargill Turkey Production, LLC	Cargill Defendants' flock management program
Lynn Nutt – Director Live Operations	Willow Brooks Foods, Inc.'s practices and policies as to contract growers, and related facts and circumstances
Pat Webster Vice President & Director of Corporate Financial Reporting Cargill, Inc.	Cargill Defendants' turkey production financial matters
Daryl Wikstrom Vice President & Assistant Treasurer Cargill, Inc.	Cargill Defendants' turkey production financial matters

Cal-Maine – Secondary Witnesses	
Dolph Baker-	Officer of Cal-Maine Foods, Inc. and Cal-Maine Farms, Inc. who has knowledge of Cal-Maine operations.
Robert Brockman-Former Cal-Maine Lincoln, AR Employee	Former employee of Cal Maine Foods, Inc. who has knowledge of past operations in IRW.
Bob Bush-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Janet Conner-	Former employee of Cal Maine Foods, Inc. who has knowledge of past operations in IRW.

Buddy Curtis-Former Cal-Maine Lincoln, AR Employee	Former employee of Cal Maine Foods, Inc. who has knowledge of past operations in IRW.
Ruth Dial-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of her growing operation in IRW.
Bob Gilmore-IT Director	Employee of Cal-Maine Foods, who has knowledge of IT systems.
Goolsby Enterprises-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Lois Hampton-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of her growing operation in IRW.
Kenneth Kindle-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Larry Kindle-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
L&G Farms, Inc.-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Jimmy Layman-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Gerda Meyer-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of her growing operation in IRW.
Ralph Moore-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Steve Pinkerton-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Byron Rankin-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Rhonda Reaves-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of her growing operation in IRW.
Claude Sargent-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Paul Sawatzky-Former Contract Grower - Cal-Maine	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Bob Scott-	Employee of Cal-Maine Foods who has knowledge of former operation in IRW.
Tim Thompson-	
Paul Biggs-Contract Grower - Biggs Farms, Inc. Former Cal-Maine Foods, Inc.; Current Cargill	Former independent contract grower for Cal-Maine Foods, Inc. who has knowledge of his growing operation in IRW.
Fred Adams	Officer of Cal-Maine Foods, Inc. and Cal-Maine Farms, Inc. who has knowledge of Cal-Maine operations.
Steve Rogers	Employee of Cal-Maine Foods, Inc. and Cal-Maine Farms, Inc. who has knowledge of Cal-Maine operations.
Tim Dawson	Employee of Cal-Maine Foods, Inc. and Cal-Maine Farms, Inc. who has knowledge of Cal-Maine operations.

David Roland	Cal Maine consultant who has knowledge of Cal-Maine Foods, Inc.'s feeds.
--------------	--

George's – Secondary Witnesses	
Dr. Rex D. Bushong-Nutritionist	Poultry industry nutrition programs
Dr. Phillip Hargis-Nutritionist	Poultry industry nutrition programs
Les Childress-	George's nutrition program
John Delphon-	George's Information Technology policies, programs and practices
Stacy Harrison -	Integrator and grower relationships, practices and policies
Gary Hopkins-	George's flock accounting policies
Kendall Pendergraft-	Integrator and grower relationships, practices and policies; George's obligations under applicable laws, compliance therewith, farm operations and litter management.
Roger Pitts-Contract Grower	Poultry growers' obligations under applicable laws, compliance therewith, farm operations and litter management and relationship with George's.
Greg Copeland-Contract Grower	Poultry growers' obligations under applicable laws, compliance therewith, farm operations and litter management and relationship with George's.
Lester Harp- breeders/pullets	Integrator and grower relationships, practices and policies.
Greg Knight- environmental	George's permitted point source programs.
Monte Terry-commercial egg	George's obligations under applicable laws, compliance therewith, farm operations and litter management.
David J. Wyman- George's service tech	Integrator and grower relationships, practices and policies
Dr. Lloyd Keck-Consulting Vet	Poultry industry veterinary practices

Peterson Farms – Secondary Witnesses	
Keith Curry-Former Broiler Manager	Facts and Circumstances associated with Peterson’s operations and relationships with independent contract growers
Lester Meigs-Former Manager, Feed Mill – Peterson Farms, Inc.	Facts and circumstances associated with chicken feed production.
Dwayne O’Leary-Former Peterson Farms Contract Grower	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
William Oliver-Former Peterson Farms Contract Grower	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Waymon Rhodes-Former Peterson Farms Contract Grower	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Shannon West-Former Peterson Farms Contract Grower – S&T Farm	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Teresa West-Former Peterson Farms Contract Grower – S&T Farm	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Connie Yell-Former Peterson Farms Contract Grower – Bush Valley Farms	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
James Yell-Former Peterson Farms Contract Grower – Bush Valley Farms	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Dennis Chamberlain-Former Peterson Farms Contract Grower	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Jack Chenoweth-Former Peterson Farms Contract Grower – Chenoweth Farms	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Linda Chenoweth-Former Peterson Farms Contract Grower – Chenoweth Farms	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Bill Engleman-Former Peterson Farms Contract Grower	Poultry growers’ obligations under applicable laws, compliance therewith, farm operations and litter management, and relationship with Peterson.
Blake Evans-CEO of Peterson Farms, Inc.	Facts and circumstances associated with Peterson’s operations and relationship with independent contract growers. General knowledge of poultry growing operations.
Dan Henderson-Former Employee – Peterson Farms, Inc.	General knowledge of poultry growing operations.
Ray Wear-Former Vice President of Finance – Peterson Farms, Inc.	Facts and circumstances associated with Peterson’s operations and relationships with independent contract growers.

Simmons – Secondary Witnesses	
Charles Kirby	Land management and uses or non-uses of litter and other fertilizers in the IRW
Leroy Lamphear	Land management and uses or non-uses of litter and other fertilizers in the IRW
Charles	Land management and uses or non-uses of litter and other fertilizers in the IRW
Bobby Hignite	Land management and uses or non-uses of litter and other fertilizers in the IRW
James Chamberlain	Land management and uses or non-uses of litter and other fertilizers in the IRW
Robert E. Kinder	Land management and uses or non-uses of litter and other fertilizers in the IRW
Billy D. Glenn	Land management and uses or non-uses of litter and other fertilizers in the IRW
C. Edgar Gaw	Land management and uses or non-uses of litter and other fertilizers in the IRW
Nolen Roberts	Land management and uses or non-uses of litter and other fertilizers in the IRW
Pete Allen	Land management and uses or non-uses of litter and other fertilizers in the IRW
Larry Myers	Land management and uses or non-uses of litter and other fertilizers in the IRW
J. B. Williams	Land management and uses or non-uses of litter and other fertilizers in the IRW
J. O. Thomason	Land management and uses or non-uses of litter and other fertilizers in the IRW
J. D. Kinzey	Land management and uses or non-uses of litter and other fertilizers in the IRW
Leroy Chamberlain	Land management and uses or non-uses of litter and other fertilizers in the IRW
Floyd Mott	Land management and uses or non-uses of litter and other fertilizers in the IRW
Tony Anderson	Land management and uses or non-uses of litter and other fertilizers in the IRW
Frank Pickell	Land management and uses or non-uses of litter and other fertilizers in the IRW
Jimmy Chamberlain	Land management and uses or non-uses of litter and other fertilizers in the IRW
William Yetter	Land management and uses or non-uses of litter and other fertilizers in the IRW
Jack Copeland	Land management and uses or non-uses of litter and other fertilizers in the IRW
Jim Carter	Land management and uses or non-uses of litter and other fertilizers in the IRW
Daniel Larmon	Land management and uses or non-uses of litter and other fertilizers in the IRW
James D. Ford	Land management and uses or non-uses of litter and other fertilizers in the IRW

New Life Ranch, Director	Land management and uses or non-uses of litter and other fertilizers in the IRW
Ruby Ross	Land management and uses or non-uses of litter and other fertilizers in the IRW
Gale Whitmire	Land management and uses or non-uses of litter and other fertilizers in the IRW
Keith Mitchell	Land management and uses or non-uses of litter and other fertilizers in the IRW
Marlyn Potter	Land management and uses or non-uses of litter and other fertilizers in the IRW
Johnny H. Sanford	Land management and uses or non-uses of litter and other fertilizers in the IRW
Edward Billups	Land management and uses or non-uses of litter and other fertilizers in the IRW
Eddy Martin	Land management and uses or non-uses of litter and other fertilizers in the IRW
Junior L. Harrison	Land management and uses or non-uses of litter and other fertilizers in the IRW
Robin Denny	Land management and uses or non-uses of litter and other fertilizers in the IRW
Joseph Martin	Land management and uses or non-uses of litter and other fertilizers in the IRW
Leo Chamberlain	Land management and uses or non-uses of litter and other fertilizers in the IRW
Franklin A. Glenn	Land management and uses or non-uses of litter and other fertilizers in the IRW
Keith Morgan	Land management and uses or non-uses of litter and other fertilizers in the IRW
Billy Mitchell	Land management and uses or non-uses of litter and other fertilizers in the IRW
Clinton Jenks	Land management and uses or non-uses of litter and other fertilizers in the IRW
Ronald Duncan	Land management and uses or non-uses of litter and other fertilizers in the IRW
Henry McCoy	Land management and uses or non-uses of litter and other fertilizers in the IRW
